PendaForm, Keystone Award Truck

February 7, 2014 – The PendaForm Company, in partnership with Keystone Automotive, is pleased to announce the winner of the Buy Big, Win Big truck promotion.

Ken Sweeney from McGuire's Distinctive Truck Center in Carroll, OH, drew the lucky key that started the 2014 Chevy Silverado truck at Keystone's Midwest Big Show.

The promotion, which ran from February 9 – December 31, 2013, provided an entry for every Pentaliner® bedliner purchased through Keystone Automotive. Finalists were determined by five drawings throughout the year leading up to the big event.
